OSA Mission, Vision & Core Values

Mission

The Division of Student Affairs provides access, support, and encouragement to all students in pursuit of academic excellence in the University of New Mexico’s diverse community. As a Division, we establish inclusive partnerships, programs, facilities and services, guide leadership, enrich academic and career goals, and enhance the quality of life for potential and current students, and alumni.

Vision

The UNM Division of Student Affairs encourages students to achieve their individual potential to become life-long learners and engaged members of a global community through the development of learning environments that inspire learning and academic success.

Core Values

• Academic Success: recruitment, retention, graduation, career development
• Leadership: accountability, opportunity, sustainability
• Community: civility, health and safety, respect
• Excellence: diversity, equity, integrity
Led by Dr. Eliseo Torres, the Division of Student Affairs is the primary student services provider for UNM’s large and diverse student population. Our departments provide support services for students from all backgrounds, including first generation and non-traditional. Our programs and services help enhance our students’ learning and living experiences and are focused on student’s needs, educational growth, student success, academic achievement, and excellence.
### Student Life

Focusing on student development and learning experiences outside the classroom through programs and services; provides students opportunities to connect with campus, leaders, peers, and the community at large, fostering success in preparation for tomorrow.

2019 – 2020 Goals

1. Facilitate and participate in university-wide retention, graduation initiatives, and enhancement of academic support for students through collaboration with Academic Affairs, Enrollment Management, and community partners, and writing for more academic support-focused grants.

2. Continue to implement programs and initiatives on campus-wide sexual assault, safety awareness, education, training and emergency preparedness through LoboRESPECT initiatives.

3. Enhance our engagement and visibility through campus-wide collaboration and integration of programs and events aimed at improving campus climate.

4. Gain improved access to university data for the Student Affairs Assessment and Research Office to enhance the production of data-driven assessment reports to aid in decision-making.

Capital Projects

1. The Johnson Center expansion and renovation started in the summer of 2018 and will be completed in early 2020.

2. Plan and develop the Student Health and Counseling building plaza level expansion addressing the overall needs – expected completion early 2020.

3. Develop and plan for a centralized facility for Army, Air Force/Marines, and Navy ROTC programs.

4. Identify funding sources to expand the UNM Children’s Campus to address current parent waiting list of over 1,500.

5. Re-evaluate proposed expansion plans for the Student Union Building Phase II expansion.

6. Explore funding sources to renovate Cornell Mall.

7. Determine funding sources for multi-phase design for the designated site on south campus for outdoor recreational and student activity venues.
Encouraging students to achieve their individual potential to become lifelong learners and engaged members of a global community.
