

# HAPPY AUTUMN!

**MESSAGE FROM THE VP**

Hard to believe it's the end of September! Thank you to everyone who's been doing their part to protect the pack! The current COVID dashboard totals show that we're well on our way to having a fully vaccination-compliant campus! Just a reminder that tomorrow, September 30 by midnight is the last day to upload your proof of vaccination or exemption status to avoid serious consequences for non-compliance. Please, even if you are not yet fully vaccinated, log into our vaccination verification site and check the appropriate box to indicate either that you are partially vaccinated or intend to be vaccinated shortly.

Also, on October 24, all local phone 7-digit phone numbers will require an area code. You will need to use 10-digit calling for all local calls. Please see FastInfo 7885 for all the details and start making changes to your saved numbers and speed dials now. Have a great rest of the week,  
-Tim

**Take One for Raymond**

SHAC dedicates their annual flu shots in memory of UNM student Raymond Plotkin, who passed away from the H1N1 virus in 2009.

Raymond's parents established the "Take One for Raymond" Initiative and Scholarship program to encourage everyone to get their seasonal flu shots.

For more info, see SHAC's Take One for Raymond webpage.
