

GRAND OPENING

TODAY!

The Grand Opening of the UNM Campus Lobo Food Pantry, in its new location in the Student Union Building, is today from 3-5 p.m. in the SUB Atrium.

MENTORING CONFERENCE

The Mentoring Institute is hosting its 14th Annual Mentoring Conference this week, *Mentoring in an Interconnected World*. This is always a large well-attended conference. The 2020 mentoring conference attracted 400 mentoring researchers and practitioners and this year will most likely mirror or exceed those numbers. Hope you are able to engage in some of the sessions.

FROM THE VP

Hello Everyone,
This week, I want to recognize one of our own, Cheo Torres who was recently honored with the Erna Ferguson Award from the UNM Alumni Association. This award recognizes exceptional accomplishments or commitment or distinguished service to UNM. I think we can agree that Cheo is the embodiment of this award. Congratulations, Cheo!
~Tim
