HOLIDAY DRIVE TO BENEFIT
GOOD SHEPHERD SHELTER

The season of giving is upon us and what better way to give back than to help those who may be experiencing homelessness. In the spirit of togetherness, for this year's annual holiday drive, we have merged several departments into Reindeer teams to play for a pizza party...and bragging rights. Participation isn't mandatory, but it's fun!

SPOTLIGHT ON KINDNESS

In the spirit of giving thanks, the BeKind UNM Team (under the direction of Cindy Mason) recently enlisted the help of the VP for Student Affairs student employees to station themselves at a table in the SUB and ask people to make thank you cards for UNM Hospital essential employees. And boy, did the Lobo staff and students deliver! All tolled, more than 340 cards were presented to upper-level staff to deliver to their employees during the holiday week. Thank you all for keeping us safe during the pandemic and beyond, and thank you Lobos for helping us to spread kindness!
