Message from the Vice President

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

DOE Selects UNM Children's Campus for CCAMPIS Grant with Significant Funding Increase

The Department of Education (DOE) has awarded the University of New Mexico Children's Campus a four-year, \$4 million Child Care Access Means Parents in School (CCAMPIS) grant—marking a substantial increase from the program's previous CCAMPIS awards. The CCAMPIS grant supports the participation of low-income parents in postsecondary education. Daniela Baca, director for the UNM Children's Campus, says that student parents make up more than 22% of higher education campus populations in the United States and face a unique set of obstacles.

"A number of significant barriers impede a student parent's ability to fully access and participate in higher education, ultimately impacting their ability to persist and graduate," Baca says. "Some of the obstacles include childcare, the high cost of quality child care, feelings of loneliness and isolation, and a lack of available family services." [Read more...](#)
