WHO WE ARE
The Mentoring Institute was created in July 2007 in a centralized effort to recruit, education, and develop qualified mentors for UNM, Albuquerque, and New Mexico’s community. With the economic support of the 48th Legislature of New Mexico, house Bill 273, introduced by Rep. Antonio “Moe” Maestas, the Institute started formal operations in November of 2007.

MENTORING INSTITUTE MISSION
The Mentoring Institute was established to instill, foster and promote a mentoring culture at The University of New Mexico. Our mission is to further the reach and impact that mentoring has on the world on a local, state, national and international level.

PROGRAMS, SERVICES & INITIATIVES
The Mentoring Institute facilitates the development of effective mentoring programs and relationships for organizational and individual performance improvement by: establishing a network of mentoring partnerships, promoting interdisciplinary research and disseminating evidenced-based effective mentoring practices, applying instructional design standards to training and certification programs, providing consulting and evaluation services creating a worldwide mentoring community of practice.
