

DEAN OF STUDENTS

WHAT WE DO FOR STUDENTS

WHO WE ARE

Our long-standing history and understanding of the UNM landscape provides us with the knowledge to educate students about campus resources, help students become UNM-savvy, and orient students toward the tools required for their success. As members of the greater campus community, we collaborate with the whole university by utilizing our academic and institutional connections to help students build knowledge, develop marketable skills, and grow both personally and socially. We are here to serve students and place a premium on providing exceptional customer service that is both compassionate and holistic.

DOS MISSION

The Dean of Students Office is committed to creating opportunities for student success. We believe in a challenging and supportive institutional approach to the development of the whole student.
